Gallagher DUBLIN HORSE SHOW
RDS 5th - 9th AUGUST 2026

IMPORTANT GUIDELINES FOR EXHIBITORS

EXHIBITORS ARE REMINDED TO READ THE RULES AND REGULATIONS CONTAINED IN THE GALLAGHER DUBLIN HORSE SHOW COMPETITION SCHEDULE CAREFULLY.

Due to the number of entries, and in order for the RDS to accommodate all exhibitors who have prepared horses for the 2026 Show, the existing rule whereby owners of horses must vacate the premises on the day of their last competition will be strictly enforced. Exhibitors who do not remove their horses from the Showgrounds after competitions are concluded will be fined.

Under legislation we are obliged to catalogue where all horses are stabled. If a horse is found to have been changed from its allocated stable, the Society will have no option but to implement a fine of €1,000. All prize money will be withdrawn, and the owner's participation in future Shows of the Society restricted. This practice by a small minority has resulted in significant issues for other equestrian exhibitors whose stables have been unfairly occupied.

EQUINE PASSPORTS: **ALL EQUINES MUST HAVE A PASSPORT TO GAIN ENTRY TO THE RDS SHOWGROUNDS.** No equine will be admitted to the RDS Showgrounds without **AN UP-TO-DATE** passport. **Please read Rule 7 (pg. 18) of the 2026 Gallagher Dublin Horse Show Competition Schedule. The RDS will accept all passports which are in accordance with the relevant current EU and Irish legislation.**

ADJUDICATION: **Exhibitors are entirely responsible for ensuring that their horses (or ponies) are presented at the assembly ring fifteen minutes before their class / competition is programmed to commence. The stewards may, if they wish, commence the judging of any class fifteen minutes before the programmed time.**

JUDGING NUMBERS: **A judging / competition number will be provided in the Arrivals Area: this number must be worn both on the horse and on the rider's / handler's back at all times when the horse is out of its stall or box. This judging number must also be worn during ALL competitions and during exercise. This applies to both showing and jumping horses and ponies. To be worn on the horse's neck in the case of jumping competitions. No equine is permitted to leave its stabling area without displaying its judging / competition number.**

WITHDRAWALS: Exhibitors **must** notify the Society in writing of ANY entries they are not sending to the Show.

DOGS: **No dogs, other than guide dogs are allowed on the Showgrounds.**

IRISH BRED CLASSES: All horses in classes subject to the 'Irish bred' restriction must have the appropriate documentation to support that they were foaled in Ireland. All horses and ponies must have a passport to enter the Showgrounds and all animals issued with a passport after the 1 of July 2009 must be microchipped.

In the case of the show jumping classes for Four, Five & Six Year Old horses **only**, competitions are restricted to animals registered as being bred on the island of Ireland, and to those entire animals (stallions and mares) bred outside of Ireland, that are registered and approved / preliminary approved or selected for breeding in an Irish Studbook (approved by the Department of Agriculture). Horses entered in these classes must be micro-chipped.

Exhibitors MUST have appropriate documentation to gain entry to the RDS, and to prove eligibility for competition.

SMOKING IS STRICTLY PROHIBITED IN THE STABLING AREAS
NO HORSE IS PERMITTED TO LEAVE ITS STABLING AREA WITHOUT A JUDGING / COMPETITION NUMBER BEING DISPLAYED

The attention of exhibitors is drawn to the fact that "rapping", excessive spurring, or any other form of cruelty is strictly forbidden. Breach of this rule may result in disqualification of rider and horse from this and future Shows of the Society.

Eligible horses and ponies will be automatically entered in all jumping competitions (A, B and C) at the Dublin Horse Show. If an owner wishes to withdraw his / her horse or pony from any of these competitions, they must do so in accordance with the above regulation.

Each athlete may have a maximum of 2 people, over the age of 18, per horse / pony, accompanying them in the warm-up arena.

CHILDREN ON HORSES TROT-UP: All horses must undergo a Horse Inspection from 12.30pm to 1pm on Friday 7 August in the Animal Arrivals Area, Simmonscourt. Exercise times will be displayed in the various arenas.**

STABLING: Whilst on the Showgrounds, all horses and ponies must be in their allotted stable from 9am on each day that the Show is open to the public, except when exercising or under adjudication. No horse or pony will be admitted into the Showgrounds before Monday 3 August. All equines stabled on site must be in situ and remain undisturbed in their allocated stables between 9pm and 5am. No equine will be permitted to enter or exit a stabling area after 9pm or before 5am.

If a stable is used for any purpose other than stabling the horse whose number it bears, it will be taken over immediately by the Society, whether locked, or unlocked, and the exhibitor using the stable will be reported to RDS Management for this very definite breach of the rules and will be subject to such a penalty as RDS Management deems necessary.

Equestrian exhibitors may wish to use different staff on different days of the Show and to facilitate this a strict process will be implemented as follows;

1. The person who is wearing a valid wristband, and who is being replaced by a different member of the exhibitor's staff must return to one of the wristband cabins where a member of RDS staff will remove the wristband.
2. A record of the exhibitor's name and the quantity of wristbands returned will be recorded in our system.
3. The new staff member must come to the same location that the wristband was surrendered on the previous day to obtain a new wristband.

Important Notice: Wristbands that have been removed by an exhibitor will not be accepted for exchange purposes, so it is essential that the person surrendering the wristband does not remove it and instead allows a member of RDS staff to do so. Damaged Wristbands

Damaged wristbands will not be replaced, and it is the responsibility of each exhibitor to ensure that their wristband does not get damaged or removed from their wrist. Specific Wristbands
There will be a variety of wristbands in circulation at this year's Show, each type being denoted by a different colour and written content. Please ensure that you receive an appropriate wristband which should state clearly that it is for an 'Equestrian Exhibitor'.

IMPORTANT SAFETY NOTICE TO EXHIBITORS: In order to meet our insurer's requirements, it has been necessary to introduce arrangements to segregate, as far as possible, the general public from horses. The Society has appointed a specific team of stewards, 'Stewards of Safety', to supervise the implementation of these measures which will control the movement of people and horses to and from the different areas of the Showgrounds. These arrangements will operate from Wednesday 5 August, until Sunday 9 August inclusive, between 9am - 9pm.

THE DIRECTIONS OF THE STEWARDS OF SAFETY MUST BE FOLLOWED AT ALL TIMES: It is in your own interests to comply with all instructions and to observe the procedures laid down by the Society, and we would appreciate your full co-operation in this. Should any exhibitor refuse to comply with the instructions of the Stewards of Safety, the Society will have no alternative but to immediately remove from the Showgrounds that exhibitor's entries, and all fees paid, or prizes won will be forfeited. These conditions will be strictly enforced, and no appeal will be entertained.
Each exhibitor shall be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from any animal or article exhibited by him, and for its description as given in the Catalogue, and shall indemnify the Society against all legal or other proceedings in regard thereto and take out appropriate insurance cover for this purpose.

DIRECTIONS: Details of the routes to be taken from the stabling areas to the various showing and jumping rings will be prominently displayed in the Showgrounds. You are required to familiarise yourself with these, and to seek the advice / assistance of the Stewards of Safety, if in any doubt.

EQUINE ARRIVALS

VEHICLES CONVEYING HORSES AND PONIES TO THE SHOW: In conjunction with the arrival times on the following page, vehicles conveying horses and ponies will **not** be permitted to enter the Showgrounds directly but should proceed to the Arrival / Departure Area on **Shrewsbury Road**. Horses and ponies should be unloaded in the Arrival / Departure Area where the issuing of competition numbers will be carried out.

Please note that due to issues at previous Shows, and in line with the Society's good neighbour policy, and on the instruction of An Garda Síochána, a 'Drop and Go' traffic management system will be in place for this year's Show. This means that the driver must remain in the vehicle at all times, and once your horses and tack are unloaded, your vehicle must be removed from the Arrivals Area. You must ensure you have sufficient help to progress through Arrivals quickly.

Horse Boxes, Lorries, Trailers and Cars must be removed from the Arrival / Departure Area as soon as the exhibits are unloaded and certainly not later than 30 minutes after arrival. Parking is available at Lansdowne F. C. on Claremont Road, Old Belvedere R.F.C. or Merrion Cricket Club upon payment of the appropriate fee.

All exhibitors in Meath, Dublin, Kildare and Wicklow with horses competing on the first two days of the Show are asked to arrive before 11.30am on both Tuesday 4 and Wednesday 5 August. Those with large numbers of horses should arrive on Monday 3 August.

A queuing system will be in place in the Arrivals Area for the transport of tack to the stabling halls, details of which will be available when checking in with Arrivals Area security staff.

RDS Staff will be available at all times, both on the external roads and within the Arrivals Area, to assist exhibitors, and we would ask for full cooperation from all concerned, as every effort must be made to minimise disruption to local residents.

ARRIVALS AND DEPARTURES

PLEASE NOTE that the Arrival / Departure Area is located in Simmonscourt, opposite the Simmonscourt Pavilions. Access is via Shrewsbury Road entrance only. Exhibitors must only bring their horses into the Show via the Arrival / Departure Area on the specific 'arrival days' pertaining to their particular type of exhibit (arrival times may be subject to revision).
